## Logistics

### Formal Pre-Qualification

#### 1–3 days depending on complexity

Senior Advisor reviews selling lenders' credit memo and financial spreads, prescreens deal and eligibility, gets concurrence with underwriting, finalizes loan amounts, structure, pricing, premium, sets logistics, timetable for process, and provides LOI. Determine interim lender.

### Processing

#### 3 days depending on complexity

Loan Processor sets up link to upload financials, assembles complete package.

### Underwriting

#### 1–2 weeks depending on complexity

Loan Acquisition Manager prepares financial spreads, writes credit memo, and obtains loan approval. Once a loan is approved, we issue a formal Commitment Letter (CL) and prepare Loan Referral Agreement or Loan Purchase Agreement. The CL is to be signed and returned along with a \$4,500 deposit.

### Closing

#### 7–10 days after receipt of complete closing package depending on complexity

Momentum Direct Capital sends out closing checklist to Selling Lender. After review and acceptance of the required closing checklist items, Closing Analyst coordinates title and escrow, prepares loan documents. Once the loan documents are signed by the Borrower, attorney approves docs for accuracy for funding.
